In the increasingly competitive market for global services, senior law firm leaders face the daunting challenges of meeting client demands for more value creation and efficiency with the necessity of driving firm profitability.

Through our highly interactive case-studies, we offer cutting-edge research, perspectives, and frameworks contextualized specifically for law firms. You will have the opportunity to exchange ideas with law firm leaders from around the world and will come away with practical solutions and a renewed sense of energy and purpose.

Who should attend: Managing Partners, Chairs, Department Heads, and other senior firm leaders

LEADERSHIP IN LAW FIRMS

SEPT. 23-28, 2018

**HARVARD
LAW SCHOOL**
Executive Education

“ I became a better observer and listener, and thus more aware of the things that need to change, the things that need to be improved or scrapped altogether, and the strategies that need to be tweaked based on non-alignment with firm goals. ”

- *Managing Partner*
